

MID-IOWA MUDHEAD ASSOCIATION, ANITA & ADAIR TRACKS NEW RULES

You still need to read all the information in the packet. This is a summary of some important information we wanted you to make sure you knew.

Street Stock

The driver can be 16 and older. A 16 or 17yr old must have a valid drivers license and be accompanied by their parent or legal guardian, which must be the passenger in the race truck. The parent or legal guardian and the minor must sign a release form at registration. The 16 or 17 yr old can not be a passenger in another class.

Engine size & fitting should match that make/model for that year. If questioned must be proven with manufacturer or dealer proof

No brake modifications (must have 4 working brakes), Unaltered Stock Truck Body, Factory windshield is required. Factory dash and door panels required. Seats in factory location. Battery in stock location

Pro Stock

Must have no changes to the suspension system, which includes suspension lifts, added springs or extra shocks. Must have a factory wheel base and stock appearing truck width for that truck. Axle upgrades are allowed as long as they do not change the stock suspension. No re-arched springs. No body lifts, chops or extensions.

Modified

Vehicle must have a factory frame, no tube frames. Must have side profile of truck with modifications allowed.

Pro Stock, Modified and Outlaw

Must have a (at least a 2 ½ lb.) fire extinguisher mounted within reach of driver or passenger.

Must be equipped with a 6 point roll cage
Must be equipped with a 5 point harness
