SAFETY INSPECTION DAY

GUTHRIE COUNTY FAIRGROUNDS

A SECOND INSPECTION

NOON - SATURDAY, MAY 26, 2012

MURPHY'S SHOP IN ANITA

THIS IS NOT A RACING DAY!!

WE ASK THAT ALL DRIVERS PLEASE BE PATIENT DURING THE INSPECTION PROCESS. WE WILL BE INSPECTING EACH VEHICLE FOR SAFETY GUIDELINES AS WELL AS CLASS SPECIFICATIONS.

WHEN YOU HAVE PASSED INSPECTION:

We will place an Inspection Sticker inside your vehicle. We will update your address and phone number in our records, as well as assigning you a class number, if you have not already received one. You are then required to sign the safety waiver, and will be cleared to race for the 2012 season.

IF YOU DO NOT PASS INSPECTION:

You will receive a check list of items that need to be repaired before you will be allowed to race. We will keep a copy of that check list for our own records. We will update your address and phone number in our records, as well as assigning you a class number, if you have not received one. When you arrive on opening day, you will be sent directly to the Safety Inspection Lane, where we will again go over that check list again to ensure that all necessary repairs have been completed.

EACH DRIVER, WHO HAS THEIR RACE VEHICLE INSPECTED, WILL RECEIVE SEVEN (7) POINTS FOR THE 2012 RACING SEASON. PLEASE TELL THE OFFICIALS THAT ARE INSPECTING WHAT CLASSES YOU PLAN ON RUNNING, SO THERE IS NOT A PROBLEM WITH THE POINTS. IF YOU DO NOT HAVE THE SHEET MARKED FOR A CLASS YOU WILL NOT RECEIVE THE 7 POINTS. THERE IS ONLY A TOTAL OF 7 POINTS TO BE RECEIVED FOR BOTH OF THE INSPECTIONS.

***If you purchased 2012 Season Passes,
don't forget to pick them up at Safety Inspection Day!!***
